STATE LICENSING GUIDE

1. Apply directly to your state licensing agency for examination authorization:
<https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure>
2. Your state licensing agency will determine your eligibility for the exam for which you have applied.
3. Your state licensing agency will submit your information to ARRT using a secure database.
4. You'll receive a letter from your state licensing agency informing you of your examination eligibility and instructions for paying your exam fee to ARRT. The letter will instruct you to log onto state.arrt.org.
5. If you're a first-time user, you'll create a personal profile on this site. If you already have a profile, skip to Step 6.
 - a. Select "Create an Account" from the Account Login box on the right side of the screen.
 - b. Enter Zip Code, Date of Birth and last four digits of your Social Security Number. (This information must match the information you provided on your application.)
 - c. Verify that your personal and examination information entered from your application is accurate. Notify your state, not ARRT, of any necessary changes:
<https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure>
 - d. Enter your email address, password, and other personal information to complete your profile.
6. When you're ready to pay for your examination, you'll:
 - a. Respond to a question to indicate if you need testing accommodations (modifications from standard assessment administration).
